# **PULPDENT**<sup>®</sup> BRANDING GUIDELINES

#### 1 - Introduction

The PULPDENT Corporation Brand Style Guide document sets forth the rules for applying PULPDENT's "Brand Assets," which include elements such as product names, logos, brand colors and brand fonts to maintain consistency across all platforms. Guidance is provided in the use of the company's branding to create anything new, such as print and digital advertising and principally anything that visually represents PULPDENT.

#### Legal Disclaimer

The materials included herein, including but not limited to PULPDENT's trademarks, are proprietary and protected under intellectual property laws for use only as referenced in this guideline. By downloading and/or using our trademarks you agree to abide by our guidelines. It is important that you regularly check this site to ensure that you're correctly using our Brand Assets. PULPDENT owns trademark rights in the United States and other countries.
